

You're invited to...

Spring Research Festival Mentor-Mentee Mixer

Effective mentoring is vital to success in our careers and life. Great mentoring can increase technical skills, enable better leadership, and lead to a better career experience

FREE food, drinks and games!

'Mentor-Mentee Mixer' aims to foster interaction between fellows and established scientists in diverse career paths to identify potential second mentors

Date: Thursday, May 10, 2018

Time: 2:30 PM - 5:00 PM

Location: Nallin Farm Pond Pavillion 1

Who Should Come: **EVERYONE**

Frederick Diversity Committee
