

Reviewing Data Points

Data points in Rave can be reviewed to ensure data accuracy. This is be done by users who have been assigned the role of **Study Team**.

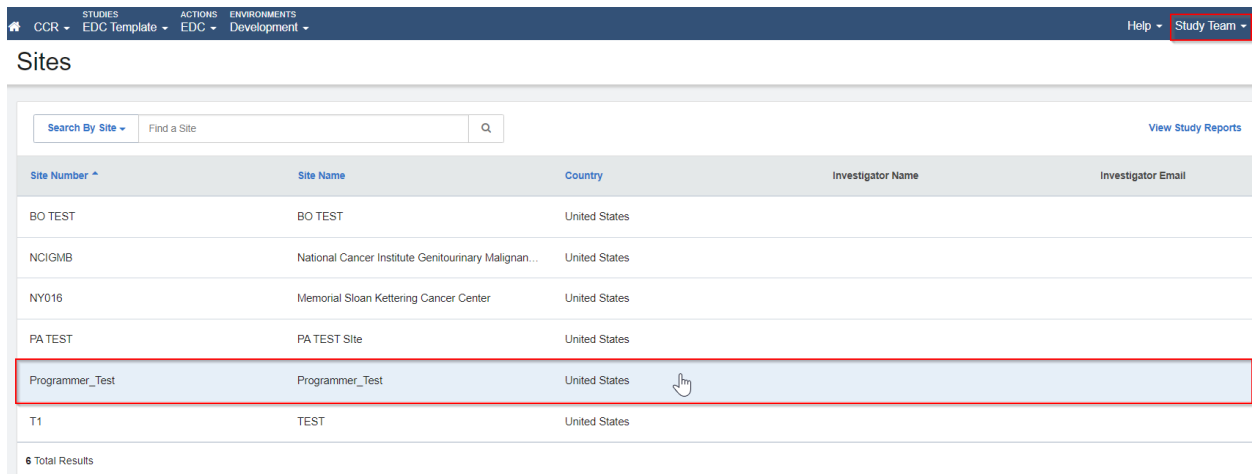

Contents

Reviewing Data Points in Standard Forms	3
Reviewing All Fields in Standard Forms	5
Reviewing Log Lines	7
Reviewing Data Points in Log Forms	8
Reviewing All Fields in Log Forms	11
Reviewing Pages with EDC Tasks	16

Firstly, log into Rave and select the **Rave EDC** link associated with the relevant study.

If the study is linked to multiple sites, the user will be directed to the Sites page. In the **Study Team** role, select the desired site from the list.

If the study is only associated with one site, the user will be directly taken to the Subjects page. Here, select the subject to be reviewed (which in this instance is subject '1010004').

Reviewing Data Points in Standard Forms

Fields in standard forms can be reviewed individually or all together at once. In order to review a specific data point, select the **Study Team Review** button to the right of the field.

The screenshot shows a web interface for a subject with ID 1010004, status 'Screened'. The main section is titled 'Enrollment' and contains a table of data points under the heading 'DISEASE AND CONSENT'. Each row represents a data point with a corresponding 'Study Team Review' button. The 'Date of Diagnosis' row is highlighted with a red box around its 'Study Team Review' button.

Field	Value	Action
Lesion anatomic site description	Detailed lesion anatomic description	Study Team Review
Date of Diagnosis	2 Nov 2021	Study Team Review
Histology	Pancreas-Hepatoid Carcinoma	Study Team Review
Grade of Histology		Study Team Review
Dose Level	TAC1 : TAC1 Description	Study Team Review
Disease Stage at Entry		Study Team Review
Disease Stage at Diagnosis	II	Study Team Review

An exact data point can also be reviewed by clicking on the dropdown icon shown below and selecting **Study Team Review**.

This screenshot is similar to the one above, but it shows the dropdown menu for the 'Date of Diagnosis' row. The dropdown menu is open, showing 'Study Team Review' as the selected option, which is highlighted with a red box. The 'Date of Diagnosis' row itself is also highlighted with a red box.

Field	Value	Action
Lesion anatomic site description	Detailed lesion anatomic description	Study Team Review
Date of Diagnosis	2 Nov 2021	Study Team Review
Histology	Pancreas-Hepatoid Carcinoma	Study Team Review
Grade of Histology		Study Team Review
Dose Level	TAC1 : TAC1 Description	Study Team Review
Disease Stage at Entry		Study Team Review
Disease Stage at Diagnosis	II	Study Team Review

The data point has been successfully reviewed, as seen below. It is now ready to be verified by a Monitor.

As shown below, the reviewed status of the data point has been removed and it is available again for review.

The screenshot shows a clinical trial form for subject 1010004. The form is titled 'Enrollment' and has a 'Request Review' button. The 'DISEASE AND CONSENT' section contains several data points, each with a 'Study Team Review' button. The 'Date of Diagnosis' data point is highlighted with a red box, and its 'Study Team Review' button is also highlighted with a red box. The 'Study Team Review' button in the top right corner of the form is also highlighted with a red box.

Prior Radiation Supplement, Log Lines

Back To Complete View < Previous Line Line 1 of 2 Next Line >

Date of First Dose	15 Jul 2020	<input type="radio"/> Study Team Review <input type="radio"/> Verify	<input type="button" value="⚙"/>
Date of Last Dose	15 Dec 2020	<input type="radio"/> Study Team Review	<input type="button" value="⚙"/>
Radiation Type	Brachytherapy	<input type="radio"/> Study Team Review	<input type="button" value="⚙"/>
Other, Specify		<input type="radio"/> Study Team Review	<input type="button" value="⚙"/>
Radiation extent	Limited Radiation	<input type="radio"/> Study Team Review	<input type="button" value="⚙"/>
Site	Lung	<input type="radio"/> Study Team Review	<input type="button" value="⚙"/>

The success of these actions can be confirmed by the absence of the **Study Team Review** button belonging that data point.

The screenshot shows the 'Prior Radiation Supplement' log lines interface. The 'Verify' button for the first log line is highlighted with a red box. The interface includes a sidebar with navigation options, a top navigation bar with 'Study Team Review' and a gear icon, and a main content area with a table of log lines. The table has columns for 'Date of First Dose', 'Date of Last Dose', 'Radiation Type', 'Other, Specify', 'Radiation extent', and 'Site'. The first log line has a 'Verify' button, while the others have 'Study Team Review' buttons.

Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site
15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung

A data point review can be undone by clicking on the dropdown button shown below and selecting **Study Team Review**.

The screenshot shows the 'Prior Radiation Supplement' log lines interface. The 'Study Team Review' option in the dropdown menu for the first log line is highlighted with a red box. The interface is identical to the previous screenshot, but the 'Verify' button for the first log line is now a dropdown menu with 'Study Team Review' selected.

Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site
15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung

The **Study Team Review** button thus appears again as the data point is no longer considered to be reviewed.

The screenshot shows a web interface for a 'Prior Radiation Supplement' log form. The form is titled '1010004 Screening' and 'Prior Radiation Supplement'. It has a 'Study Team Review' button in the top right corner. The form contains several fields, each with a 'Study Team Review' button next to it:

Field	Value	Action
Date of First Dose	15 Jul 2020	Study Team Review
Date of Last Dose	15 Dec 2020	Study Team Review
Radiation Type	Brachytherapy	Study Team Review
Other, Specify		Study Team Review
Radiation extent	Limited Radiation	Study Team Review
Site	Lung	Study Team Review

Reviewing All Fields in Log Forms

All the data points in a log form can be reviewed simultaneously in portrait view by navigating to a log line and selecting the **Study Team Review** button on the top-right corner of the window.

The screenshot shows the same 'Prior Radiation Supplement' log form in portrait view. The 'Study Team Review' button in the top right corner is highlighted with a red box and a mouse cursor. The form fields and their values are the same as in the previous screenshot:

Field	Value	Action
Date of First Dose	15 Jul 2020	Verify
Date of Last Dose	15 Dec 2020	Study Team Review
Radiation Type	Brachytherapy	Study Team Review
Other, Specify		Study Team Review
Radiation extent	Limited Radiation	Study Team Review
Site	Lung	Study Team Review

As demonstrated below, the **Requires Review** badge and **Study Team Review** button next to each of the data fields are no longer visible, proving the batch review to be successful.

As seen below, the Study Team Review option becomes available again. This change can also be seen in all other log lines in the form.

The screenshot shows the 'Prior Radiation Supplement' form in 'Log Lines' view. The 'Study Team Review' button is highlighted in red for each log line. The form includes a sidebar with navigation options and a main content area with a table of log lines.

Line	Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site	Study Team Review
1	15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung	<input type="radio"/> Study Team Review
2	30 Jan 2021	10 Mar 2021	Electron Beam		Limited Radiation	Thorax	<input type="radio"/> Study Team Review

Finally, a user can also review all log form data points at the same time in landscape view by selecting the **Study Team Review** button highlighted below.

The screenshot shows the 'Prior Radiation Supplement' form in 'Landscape View'. The 'Study Team Review' button is highlighted in red. The form includes a sidebar with navigation options and a main content area with a table of log lines.

Line	Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site	Schedule	Study Team Review
1	15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung	2 weeks	<input type="radio"/> Study Team Review
2	30 Jan 2021	10 Mar 2021	Electron Beam		Limited Radiation	Thorax	3 weeks	<input type="radio"/> Study Team Review

As shown here, the **Requires Review** batch will then disappear.

The screenshot shows the 'Prior Radiation Supplement' form in 'Landscape View'. The 'Requires Review' batch is highlighted in red. The form includes a sidebar with navigation options and a main content area with a table of log lines.

Line	Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site	Schedule	Requires Review
1	15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung	2 weeks	<input type="radio"/> Requires Review
2	30 Jan 2021	10 Mar 2021	Electron Beam		Limited Radiation	Thorax	3 weeks	<input type="radio"/> Requires Review

To reverse this action, click on the gear icon and select **Study Team Review** from the dropdown.

The screenshot shows the 'Prior Radiation Supplement' form for subject 1010004. The form title is 'Prior Radiation Supplement' with a 'Requires Verification' badge. Below the title is a table titled 'Prior Radiation Supplement, Log Lines' with columns: Date of First Dose, Date of Last Dose, Radiation Type, Other, Specify, Radiation extent, Site, and Schedule. The table contains two rows of data. Below the table is a 'COMMENTS' section with a 'Verify' button and a gear icon dropdown menu. The dropdown menu is open, showing options: 'Verify All Fields', 'Study Team Review' (highlighted with a red box), 'Freeze Fields', 'Lock All Fields', and 'Audit History'. The 'Requires Verification' badge is highlighted with a red box.

	Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site	Schedule	
1	15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung	2 weeks	
2	30 Jan 2021	10 Mar 2021	Electron Beam		Limited Radiation	Thorax	3 weeks	

The **Requires Review** badge will then appear again.

The screenshot shows the 'Prior Radiation Supplement' form for subject 1010004. The form title is 'Prior Radiation Supplement' with a 'Requires Review' badge. Below the title is a table titled 'Prior Radiation Supplement, Log Lines' with columns: Date of First Dose, Date of Last Dose, Radiation Type, Other, Specify, Radiation extent, Site, and Schedule. The table contains two rows of data. Below the table is a 'COMMENTS' section with a 'Verify' button and a gear icon dropdown menu. The dropdown menu is closed. The 'Requires Review' badge is highlighted with a red box.

	Date of First Dose	Date of Last Dose	Radiation Type	Other, Specify	Radiation extent	Site	Schedule	
1	15 Jul 2020	15 Dec 2020	Brachytherapy		Limited Radiation	Lung	2 weeks	
2	30 Jan 2021	10 Mar 2021	Electron Beam		Limited Radiation	Thorax	3 weeks	

Reviewing Pages with EDC Tasks

Users who have the **Study Team** role can also review data points in bulk by clicking on the **Actions** dropdown in the top navigation bar and selecting **EDC Tasks**.

The screenshot shows the medidata interface. At the top, there is a navigation bar with 'ACTIONS' highlighted. A dropdown menu is open under 'ACTIONS', showing 'EDC Tasks' selected. Below the navigation bar, there is a table with columns: Subject, Screening, Course 1, Course 2, Course 3, Course 4, Course 5, Course 6, Labs, and Ongoing. The table contains several rows of data, including 'Subject Enrollment', 'Enrollment', 'Arm and Cohort Assignment', 'Baseline Medical History', and 'Prior Radiation Supplement'.

Select **Pages Requiring Review** from the left Task Overview bar.

The screenshot shows the 'Task Overview' bar. On the left, there is a sidebar with 'Pages Requiring Review' selected. The main area displays 'Study Site Task List - Programmer_Test' and 'Pages Requiring Review'. Below this, there is a table with columns: Select All, Subject, Subject Status, Folder, and Form. The table contains several rows of data, including '1010001', '1010002', and '1010003'. A tooltip is visible over the table, stating: 'You can select multiple items to perform bulk review. Here's how.'

Any specific form can be accessed and reviewed from this window by selecting it from the given list.

The list of pages to be reviewed from EDC Tasks can be filtered by different parameters. Click on **Filters** to view the available filters.

Study Site Task List - Programmer_Test

Pages Requiring Review

Review Groups

Study Team Review (8 Pages)

Filters Clear Filter

Select All	Subject	Subject Status	Folder	Form
<input type="checkbox"/>	1010001	Screened	No Folder	Subject Enrollment
<input type="checkbox"/>	1010001	Screened	Screening	Arm and Cohort Assignment
<input type="checkbox"/>	1010002	Screened	No Folder	Subject Enrollment
<input type="checkbox"/>	1010003	Screened	No Folder	Subject Enrollment
<input type="checkbox"/>	1010004	Screened	No Folder	Subject Enrollment
<input type="checkbox"/>	1010004	Screened	Screening	Baseline Medical History

Select the checkboxes of the parameters the list should be filtered by and click on the **Filter** button at the bottom. In this instance, the list will be filtered to only display forms which are in the 'Screening' folder and which belong to subject '1010004'.

As demonstrated below, the list has now been filtered by the chosen constraints.

The screenshot shows the 'Study Site Task List - Programmer_Test' interface. On the left sidebar, there are navigation options: 'Open Queries' (1), 'Answered Queries' (0), 'Cancel Queries' (0), and 'Pages Requiring Review' (3). The main content area is titled 'Pages Requiring Review' and shows 'Review Groups' with 'Study Team Review' (3 Pages). Below this, a 'Filters' section is highlighted with a red box, containing 'Subject: 1010004' and 'Folder: Screening'. An 'Update Results' button is located below the filters. The main table displays the following data:

Select All	Subject	Subject Status	Folder	Form
<input type="checkbox"/>	1010004	Screened	Screening	Baseline Medical History
<input type="checkbox"/>	1010004	Screened	Screening	Enrollment
<input type="checkbox"/>	1010004	Screened	Screening	Prior Radiation Supplement

At the bottom, it shows '3 Total Result(s)' and a pagination control for page 1 of 1. A 'Clear Filter' link is visible in the top right of the filters section.

If needed, a user can also clear all the chosen filters and return to the original list of pages to be reviewed by selecting **Clear Filter**.

This screenshot shows the same interface as the previous one, but with the 'Clear Filter' button in the top right corner of the filters section highlighted with a red box and a mouse cursor pointing to it. The filters 'Subject: 1010004' and 'Folder: Screening' are still present. The table data and pagination controls remain the same.

To review all the pages in the task list together, click on **Select All**.

The screenshot shows the 'Pages Requiring Review' interface. On the left sidebar, there are three buttons: 'Answered Queries' (0), 'Cancel Queries' (0), and 'Pages Requiring Review' (3). The main content area is titled 'Pages Requiring Review' and includes a 'Review Groups' section with 'Study Team Review (3 Pages)'. Below this is a 'Filters' section with 'Subject: 1010004' and 'Folder: Screening'. An 'Update Results' button is present. The main table has a 'Select All' button highlighted in a red box. The table columns are 'Subject', 'Subject Status', 'Folder', and 'Form'. The table contains three rows, all with 'Screened' status and 'Screening' folder. The bottom of the interface shows '3 Total Result(s)', a pagination control for page 1 of 1, and a 'Per page' dropdown set to 50.

As shown here, all the pages on the list have now been selected. If necessary, the batch selection can also be reversed by clicking on **Select None**.

The screenshot shows the 'Pages Requiring Review' interface after the 'Select All' action. The 'Select None' button is now highlighted in a red box. The table rows are now highlighted in light blue, and each row has a checked checkbox in the first column. The rest of the interface, including the filters and pagination, remains the same as in the previous screenshot.

After selecting **Select All**, click on the **Set Study Team Review Reviewed** button.

The screenshot shows the 'Pages Requiring Review' interface. On the left, there are navigation buttons: 'Answered Queries' (0), 'Cancel Queries' (0), and 'Pages Requiring Review' (3). The main area is titled 'Pages Requiring Review' and contains a 'Review Groups' section with 'Study Team Review (3 Pages)'. Below this is a 'Filters' section with 'Subject' set to '1010004' and 'Folder' set to 'Screening'. An 'Update Results' button is present. The main table has the following data:

Select None	Subject	Subject Status	Folder	Form
<input checked="" type="checkbox"/>	1010004	Screened	Screening	Baseline Medical History
<input checked="" type="checkbox"/>	1010004	Screened	Screening	Enrollment
<input checked="" type="checkbox"/>	1010004	Screened	Screening	Prior Radiation Supplement

At the bottom of the table, there is a 'Total Result(s)' indicator showing '3' and a pagination control for '1 / 1'. A 'Per page' dropdown is set to '50'. A red box highlights the 'Set Study Team Review Reviewed' button at the bottom left of the table area.

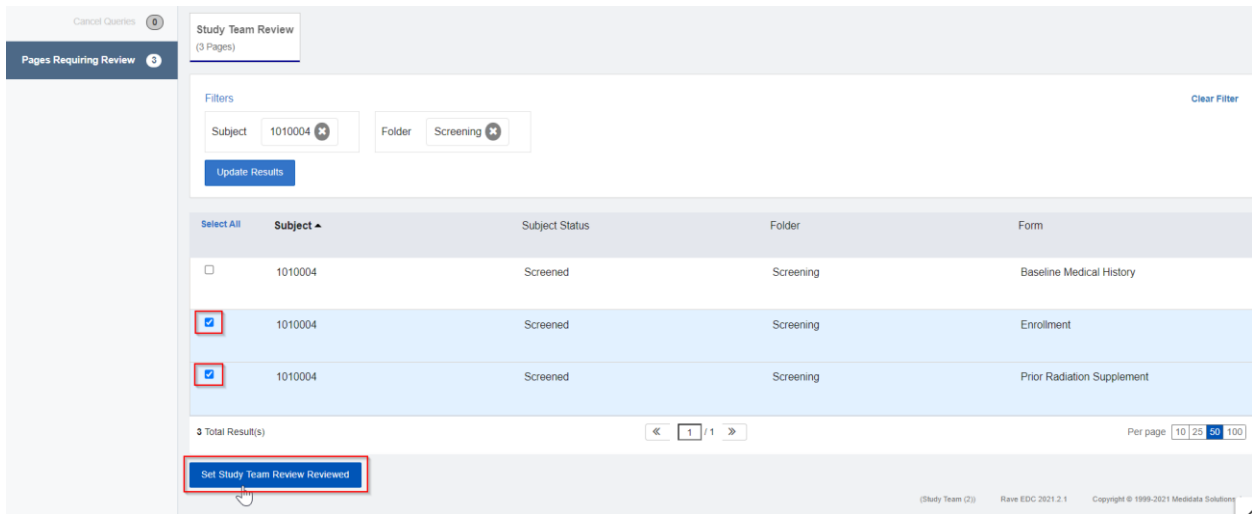

A confirmation window will then appear on the screen. Here, select the **Set Study Team Review Reviewed** button again to complete the review.

The screenshot shows the same 'Pages Requiring Review' interface as above, but with a confirmation dialog box overlaid. The dialog box is titled 'Set Study Team Review Reviewed - Please Confirm' and contains the following text:

Warning
You are about to mark the selected as **Reviewed**
Click Set Study Team Review Reviewed to proceed
This is a background process.
Any pages not reviewed will reappear in the page.

At the bottom of the dialog box, there is a 'Set Study Team Review Reviewed' button (highlighted with a red box) and a 'Cancel' button. The background interface is dimmed.

If only specific forms from the EDC Tasks list have to be reviewed, select them by checking their corresponding checkboxes and then click on the **Set Study Team Review Reviewed** button.

To complete the review, select the **Set Study Team Review Reviewed** button in the review confirmation window.
