- Opportunities to Build Your Resume
- Exploring Careers for the 21st Century
- The Job Interview: Academia vs. Industry

**CAREER FAIR: UPLOAD YOUR CV AND GET YOUR FOOT IN THE DOOR**

Looking for future employment in the biotechnology industry?

Interested in teaching opportunities or alternative science careers?

Attend the Career Fair and learn about the current job fields, make connections, and meet with numerous employers at once.

Your CV will be sent to the participating companies prior to the Colloquium.

**Abstracts due Friday, January 8, 2010**

All postdocs and trainees who have been at NCI for at least one year are strongly encouraged to submit an abstract.

A number of outstanding abstracts will be chosen for oral presentation. All other abstracts will be presented as posters. TRAVEL AWARDS will be given for prejudged abstracts based on the quality of the abstract and presentation.

**Register by Friday, February 12, 2010**
