Oncology Nursing Brown Bag Lunch

Clinical Care of Patients with Pancreatic Cancer

Christine Alewine, MD, PhD
Principal Investigator, Laboratory of Molecular Biology
Center for Cancer Research, NCI

DATE: Thursday February 20, 2020
TIME: 12:00 PM - 1:00 PM
LOCATION: FAES Room #6

Session Description:

Incidence, prognosis, risk factors, symptoms and standard treatments for pancreatic cancer will be discussed as well as new treatments and efforts at early detection on the horizon. Current research being conducted at the NIH on mesothelin in pancreatic cancer and mesothelin-targeted immunotoxins will be shared.

This activity has been submitted to the Ohio Nurses Association for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. (OBN-001-91).
