

Oncology Nursing Brown Bag Lunch

A Closer Look at Blood Draw Volume Practices in Research Patients Across a Hospital System

*Patricia Todd DNP, APRN, PCNS-BC;
Lee Ann Keener MSN, FNP-BC, CPHON;
Alex Classen BSN, RN, FNE-A/P, CPN;
Heather Ballard BSN, RN; Krista Cato MHA, BSN*

DATE: Wednesday December 9th, 2020

TIME: 1:00 PM - 2:00 PM

LOCATION: WebEx

Objectives:

1. Identify current NIH policy, tracking methods & documentation of blood collection volumes
2. Review literature and evidence-based practices as it relates to safe blood collection
3. Analyze present blood collection volume practice & documentation using Institute for Healthcare Improvement (IHI) Toolkit
4. Introduce recommendations for reducing blood collection volumes

National Cancer Institute is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) Activity Number 2020005
