

**Preliminary Agenda (Draft Date: 6/28/12)**

**2<sup>nd</sup> International Workshop on the  
Biology, Prevention, and Treatment of Relapse  
After Hematopoietic Stem Cell Transplantation  
November 5-6, 2012  
NIH Natcher Conference Center  
Bethesda, MD**

**Monday, November 5, 2012**

8:00AM – 8:30AM

**Introduction**

*Michael Bishop, Medical College of Wisconsin  
Sergio Giralt, Memorial Sloan-Kettering Cancer Center  
Nicolaus Kröger, University of Hamburg  
Alan Wayne, National Cancer Institute*

**SESSION 1: BIOLOGY OF RELAPSE AFTER STEM CELL TRANSPLANTATION**

8:30AM – 10:00AM

**“Lymphocyte Homeostasis: Implications for the Prevention and Treatment of Relapse”**

*Ronald Gress, National Cancer Institute*

**“Natural Killer Cell Biology and Therapeutic Potential”**

*Jeffrey Miller, University of Minnesota*

**“Tumor Genomics: Biology and Implications for Cellular Therapies”**

*Catherine Wu, Dana-Farber Cancer Institute*

10:00AM – 10:30AM

**Break**

**SESSION 2: RELAPSE AFTER AUTOLOGOUS STEM CELL TRANSPLANTATION**

10:30AM – 12:00PM

**“Epidemiology of Relapse: Multiple Myeloma and Lymphomas”**

*Parameswaran Hari, Medical College of Wisconsin*

**“Prevention and Treatment of Myeloma Relapse after ASCT”**

*Jean-Luc Harousseau, University of Nantes*

**“NK Cell Immunogenetics: Implications for Relapse Risk and Prevention”**

*Katharine Hsu, Memorial Sloan-Kettering Cancer Center*

**Preliminary Agenda (Draft Date: 6/28/12)**

12:00PM – 2:00PM                    **Lunch Break and Poster Viewing** (with Author's present from 1-2PM)

**SESSION 3: RELAPSE AFTER ALLOGENEIC STEM CELL TRANSPLANTATION:  
PREVENTION AND TREATMENT**

2:00PM – 3:30PM                    **“Preemptive and Maintenance Strategies to Prevent Relapse after  
Allogeneic SCT”**

*Marcos de Lima, MD Anderson Cancer Center*

**“Adjunctive Strategies to Improve Cell Therapy for Relapse”**

*Christoph Schmid, University of Augsburg*

**“Improving Graft-versus-Tumor: Strategies to Enhance T Cell  
Function”**

*David Porter, University of Pennsylvania*

3:30PM – 4:00PM                    **Break**

**SESSION 4: PROTOCOL PLANNING COMMITTEE PRESENTATIONS - Part I**

4:00PM – 5:30PM                    **Biology Protocol Development Team**

*Mitchell Cairo, New York Medical College*

*John DiPersio, Washington University*

**Prevention Protocol Development Team**

*David Avigan, Beth Israel Deaconess Medical Center*

*Marcos de Lima, MD Anderson Cancer Center*

**Treatment Protocol Development Team**

*Jeffrey Miller, University of Minnesota*

*David Porter, University of Pennsylvania*

5:30PM – 5:45PM                    **Protocol Development Summary and Plans**

Evening                                    **Protocol Planning Breakout Working Groups**

**Preliminary Agenda (Draft Date: 6/28/12)**

**Tuesday, November 6, 2012**

**SESSION 5: BEST ABSTRACTS**

8:00AM – 9:30AM                    **Oral Presentations from Selected Abstracts**

9:30AM – 10:30AM                **Best of Poster Session**  
*Ulrike Bacher, University of Hamburg*  
*Nirali Shah, National Cancer Institute*

10:30AM – 11:00AM               **Break**

**SESSION 6: PROTOCOL PLANNING COMMITTEE PRESENTATIONS - Part II**

11:00AM – 12:00PM               **Biology Protocol Development Team**  
*Mitchell Cairo, New York Medical College*  
*John DiPersio, Washington University*

12:00PM – 1:30PM                **Lunch Break and Poster Viewing**

1:30PM – 2:30PM                 **Prevention Protocol Development Team**  
*David Avigan, Beth Israel Deaconess Medical Center*  
*Marcos de Lima, MD Anderson Cancer Center*

2:30PM – 3:00PM                 **Break**

3:00PM – 4:00PM                 **Treatment Protocol Development Team**  
*Jeffrey Miller, University of Minnesota*  
*David Porter, University of Pennsylvania*

4:00PM – 4:30PM                 **Meeting Wrap-Up**
