

Oncology Nursing Grand Rounds

Nurses Essential to Closing the Genetics/Genomics Translation to Practice Gap

*Kathleen Calzone, PhD, RN, APNG, FAAN
Senior Nurse Specialist, Research
Genetics Branch, Center for Cancer Research, NCI*

Wednesday, February 29, 2012

9:00 AM – 10:00 AM

Lipsett Auditorium

Kathleen Calzone is a Senior Research Nurse Specialist in the Genetics Branch of the Center for Cancer Research at the National Cancer Institute. She received her Bachelor's of Science in Nursing from Syracuse University, her Master's of Science in Nursing from the University of Pennsylvania, and her PhD from the University of Glamorgan. She is credentialed in genetics by the Genetic Nursing Credentialing Commission and is a Fellow of the American Academy of Nursing. Dr. Calzone is a past president of the International Society of Nurses in Genetics. She is co-chair of the National Institutes of Health Genetic/Genomic Nursing Competency Initiative.

This continuing nursing education activity was approved by the Maryland Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Disclosures: In order to receive full contact-hour credit (one contact hour) for this CNE activity, you must: sign the roster with your name and contact information, attend the entire activity, and complete and submit the evaluation form as directed before you leave at the conclusion. A conflict of interest occurs when an individual has an opportunity to affect educational content about health-care products or services of a commercial company with which she/he has a financial relationship. The planners and presenters of this CNE activity have disclosed no relevant financial relationships with any commercial companies pertaining to this activity. There is no commercial or non-commercial support for this activity. The Maryland Nurses Association's accredited-provider status refers only to continuing nursing education activities and does not imply that there is real or implied endorsement by of any product, service, or company referred to in this activity nor of any company subsidizing costs related to the activity. This educational activity does not include any unannounced information about off-label use of a product for a purpose other than that for which it was approved by the Food and Drug Administration (FDA).
