Educational Objectives:

After attending these activities, the participant should be able to describe the novel aspects of the basic and/or clinical research in cancer prevention, diagnosis, or treatment presented by the speaker. Participants should also be able to discuss the potential applications of the research and/or therapeutic approaches presented by the speaker and the impact that this is likely to have in advancing the field of oncology research and practice.

Accreditation Statement:

The above activities have been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Johns Hopkins University School of Medicine and the National Institutes of Health. Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

CME Credit Designation Statement:

The Johns Hopkins University School of Medicine designates these live activities for 1 credit per session for a maximum of 39 AMA PRA Category 1 Credits™.

If you are an individual with a disability who needs any assistance or assistive devices to participate in this event, please contact Romi Sawhney (Tel: 240-760-6400) three days prior to the seminar so that we can discuss your needs.
