

C3D Training Schedule

C3D Training

C3D Training:

-For the time being, training sessions are being conducted remotely using Microsoft Teams.

-Instructions on how to join the Teams Meeting will be sent upon registration.

Registration is required.

Use the following e-mail template ([Windows Outlook](#)) to submit a training request.

All information MUST be provided in order for us to complete the registration, send the web session information to the trainee and to setup the user's C3D account and study access properly.

For multi-sites studies where NCI/CCR is the Coordinating Center, the NCI/CCR Study Coordinator (usually the Research Nurse) **must** submit the request for the participating site users.

NCI users are automatically registered for the next scheduled JReview training session (refer to [J-Review Training Schedule](#) for actual dates and times.)

If you have any questions, please e-mail Katherine Miller: katherine.miller2@nih.gov

Regular C3D Training Session Schedule	Location
Thu – 12/14/2023 11:00 AM -12:30 PM EST	(Remote only, subject to change)
Thu – 01/18/2024 11:00 AM -12:30 PM EST	(Remote only, subject to change)
Thu – 02/15/2024 11:00 AM -12:30 PM EST	(Remote only, subject to change)
Thu – 03/14/2024 11:00 AM -12:30 PM EST	(Remote only, subject to change)
Thu – 04/18/2024 11:00 AM -12:30 PM EST	(Remote only, subject to change)
