

# Assays

## Pseudovirus-Based Assays

<a href="#">HPV Neutralization Assay</a>	Standard assay for determination of papillomavirus-neutralizing antibody titers of sera
<a href="#">MCV Neutralization Assay</a>	Standard assay for determination of polyomavirus-neutralizing antibody titers of sera
<a href="#">Inhibition Assay</a>	Screening method to identify and compare papillomavirus infection inhibitors
<a href="#">BPV1 Focus Assay</a>	Method for titering the infectivity of authentic bovine papillomavirus
<a href="#">Mouse Challenge</a>	Pseudovirus-based in vivo HPV challenge system
<a href="#">L2 Neutralization Assay</a>	Modified assay to detect anti-L2 neutralizing antibodies
