

2012 C3D Training Schedule

NCI Users

NCI users are required to take one of the training sessions described in the next section. Staff may participate remotely or may come to Building 82 (Bloch building which is located just outside the Bethesda campus at the intersection of 9030 Old Georgetown Road and Cedar Lane - [Map](#)).

To register, use the form in the next section.

Also, please contact Susan McMullen (mcmulles@mail.nih.gov) about additional requirements.

Participating Sites Users

When the NCI/CCR is the coordinating center and C3D is being used, each participating site will receive C3D training.

Training Session will be conducted via phone/computer over the internet. Teleconference number and web link will be send two days prior to the training.

The NCI/CCR Study Coordinator (usually the Research Nurse) must submit the request for training using the instructions and e-mail below. Registration requests made directly by the participating site will not be accepted.

Registration is required. Fill out the form below to submit the registration request.

If you have any questions, please e-mail Armand Marquardt: marquad@mail.nih.gov 

Sessions (Eastern time):

Important
